Prior to participation in athletics at Hope International University, it is required that all student-athletes have a physical examination. The information obtained from this examination will better enable the athletic training staff to provide the best care possible following an injury or illness while competing in competitive athletics. A licensed physician must perform this exam, and it is recommended that it be conducted by your family physician. In the event that you are unable to use your own physician the Southern California University of Health Sciences may be used.

The facility is located at:

Whittier, CA 90604

Please call (562) 943-7125 for an appointment.
